

XONE:92 LIMITED EDITION

Overview

The Xone:92 Limited Edition celebrates 20 years of the iconic Xone:92, combining classic styling with modern refinements to deliver the best ever version of the legendary analogue DJ mixer.

The mixer's design is a tribute to the original production run with a remixed version of the much loved and sought-after silver top panel and artwork. Under the hood, a revised RIAA preamp design brings unprecedented clarity and detail to your vinyl playback, a new custom innoFADER® provides a smooth mixing experience, and the original filter circuit has been tuned to enhance control while retaining all of its legendary sonic character.

Features:

- 100% analogue circuitry and mix bus summing
- 4 Phono/Line Channels + 2 Mic/Line Channels
- Optimized RIAA preamps for vinyl DJs
- Precision 4-band EQ controls
- Dual analogue Filters with silent-switching
- Refined Xone:VCF Filters for enhanced control
- Custom innoFADER® for maximum responsiveness

Exclusives:

- Limited production collector's model
- Styling inspired by classic Xone silver colourway
- Specially designed unique serial number plate with engraved number
- Individually signed and numbered giclée print from The Worxlab
- "Dog Tag" style key fob with machined serial number of mixer
