DP-Series

FOUR PROFESSIONAL DRUM AND PERCUSSION MIC PACKAGES WITH FREE ROAD CASE

When it comes to drum and percussion microphones, Audix is clearly the industry leader. These high precision instrument microphones are designed to fill the specific needs of artists and engineers for both studio and live applications.

Each D series microphone consists of a VLM (very low mass) capsule housed in a precision-machined lightweight aluminum body. The i-5 is the ultimate snare microphone, designed for accuracy and durability. The newly improved D-vice gooseneck allows for quick and easy set up and perfect mic placement.

Don't compromise the sound of your drums. The DP series mic packages will reproduce the sound of your drums exactly how you want your audience to hear them.

DP 4A

DP-Series

4 PACKAGES TO CHOOSE FROM

No matter whether you are a performing artist or an engineer, Audix has a drum mic package that's right for you! Take advantage of these pre-packs and save money!

D series and i-5 common features:

- Designed, assembled, and tested by Audix in the USA
- VLM (very low mass) diaphragm
- Natural sound reproduction
- Ability to handle over 140 dB sound pressure levels
- Gold plated XLR
- Each mic includes a sturdy pouch and unbreakable ABS mic clip
- 1 year warranty

D series

- CNC Machined by Audix from solid aircraft-grade aluminum
- Hypercardioid pick-up pattern provides excellent isolation
- Black hard coat finish

i-5

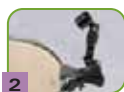

- Precision cast zinc alloy
- Protective steel grill
- Cardioid pick-up pattern

ADX-51 is a high quality electret condenser microphone ideally suited for overheads, cymbals, Hi-hat and goodie table. Features 10dB pad and bass roll-off for applications where contouring is needed.

SCX1 is a true condenser microphone and will provide the highest caliber performance available in a pencil-style design. The sound captured and reproduced by these mics for overheads, high-hat, and acoustic instruments is truly impressive.

Optional Accessories

- 1) D-vice: drum clip with a nylon rim mount
- 2) D-flex: flexible dual pivot rim mount clip
- 3) Space-saver mic cable (25') with right angle connector
- 4) Tripod: compact stand
