DIRTY RIGGER

Cable Carry

Dirty Rigger cable reel/ bundle holder

Designed especially for audio and power cables or even hoses! The Dirty Rigger Cable carry makes easy work of securely and comfortably transporting those bundles that you can never quite get a grip on.

Made from heavy duty nylon webbing it comes equipped with a comfortable handle and strong metal carabineer clip for effective hanging and storage.

The quick release buckle keeps the fully adjustable nylon strap together while providing the option of a fast release when necessary.

Carabineer Clip

For easy storage with fast attachment and release.

Adjustable

Adjust the strap length to suit your cable reel size.

25mm Nylon Strap

Durable 25mm wide nylon strap with quick release clip.

GAFFER HOLDER

Dirty Rigger Gaffer & Accessory Holder

Everyone needs an extra hand sometimes, the Dirty Rigger Gaffer & Accessory holder is designed for just that. Quickly and securely offers an easily accessible strap for holding tools, clamps, bags and it's original design intention, gaffer tape.

Secure carabineer clip for instant attachment and release, combined with a fully adjustable buckle for varying the drop length and tightness.

Designed to hold up to 3 - 50mm x 50m or 6 - 25mm x 50m rolls of MagTape professional Gaffer Tape (also fits other brands of a similar size).

Carabineer Clip

Fast attachment and release

Adjustable

Adjust the length for even more diversity

25mm Nylon Strap

Durable 25mm wide nylon strap
