

SKU: CDM-4000BT

Product Name: CDM-4000BT

TITLE: DUAL CD/USB MEDIA PLAYER WITH BLUETOOTH®

DESCRIPTION: A complete stand-alone DJ Solution, the CDM-4000BT USB/CD DJ Player is a powerful, cost-effective tool that provides easy-to-use track search and playback features across dual CD/USB decks plus Bluetooth® streaming. This rack-mountable media player allows you to leave the laptop at home, everything needed to play and mix is onboard. Control your tracks from CDs and USB storage devices with touch-sensitive jog wheels that let you Search, Scratch and Pitch Bend. You can also get creative with Manual Looping and Variable Pitch Control. The CDM-4000BT features a central mixer section with 2 band EQ, Gain Control, flexible connections and a smooth, robust crossfader. Combining powerful functionality and affordability with a user-friendly design, the CDM-4000 offers a versatile, all-in-one solution for mobile DJ rigs, Bedroom Studios and Club installations.

Highlights:

1. **FULLY STANDALONE WORKSTATION:** The CDM-4000BT is Gemini's powerful, cost-effective all-in-one MP3/CD/USB media player console, now featuring Bluetooth® input. With practical functionality and all the controls a DJ needs, the CDM-4000BT is an ideal solution for mobile DJ rigs, as well as bar and club installations.
2. **PRO DJ FEATURES:** 2-channel mixer, LCD display, dual USB ports, and a totally embedded system with no computer or DJ software required. Two independent jog wheels allow you to search through a track, bend the pitch or even scratch like a pro. Plus pitch control and looper section allow for creative mixing.
3. **BLUETOOTH® ENABLED:** Assignable channels allow for Bluetooth™ playback into either channel so you can mix between audio formats with ease! Play from your phone or tablet without sacrificing either RCA input.
4. **ASSORTED MEDIA:** Play audio from USB or CD/CD-R or external device input, in addition to Bluetooth™ streaming. Whatever your audio source, the CDM-4000BT has you covered.
5. **RACK MOUNTABLE:** Standard 19" Audio Rack size (2 x 2U) allows for installation into a standard audio rack/case. Ideal for Mobile DJ rigs or permanent installations.
