

SKU: GGO-230L

Product Name: GGO-230L

TITLE: 50W Dual 3" Portable Bluetooth Boombox with LED Party Lighting

DESCRIPTION: TAKE YOUR PARTY TO GO! Introducing the new GGO Series from Gemini. These Bluetooth speakers were designed with portability in mind with no compromise to sound or function. These speakers include every feature you can imagine from a Bluetooth speaker. Stream music via Bluetooth or FM radio or play your digital music collection from USB or microSD card. Or connect virtually any audio device via 1/8" (3.5mm) aux input. A 1/4" (6.35mm) input for the included microphone allows for Karaoke parties on the go! You can even record your performances to USB. Keeps your devices charged via 5V USB port. The GGO-230 includes dual 3" (76mm) woofers as well as sealed reflex ports for tight focused bass you've got to hear to believe. Multi-mode LED Party lighting on Woofers and Reflex ports bring your party to life! 50 watts of power provide huge sound from a such a compact unit, you've gotta hear it to believe! 3.7V Lithium-ion battery provides hours of entertainment, recharge via included USB-C cable. The GGO-230L is the perfect Bluetooth speaker for your on-the-go adventures!

Highlights

1. **BLUETOOTH AND MORE:** Enjoy great quality sound entertainment with this stylish speaker with a rechargeable battery. With USB playback, FM Radio and a 1/8" (3.5mm) AUX input in addition to Bluetooth® connectivity, you can play music from any source.
2. **MODERN DESIGN:** Sleek modern design with built in LED party lighting FX. With the Gemini GGO series you are sure to turn some heads while on the go!
3. **HIGH FIDELITY:** Engineered for huge sound from a small package. The GGO-230L features a passive radiator which uses air pressure to generate more bass, getting the most out of the 50 Watts.
4. **RECHARGEABLE BATTERY:** Designed to ensure the party never stops with the built-in long lasting rechargeable battery (with 5V USB charging), perfect for indoor and outdoor entertainment.
5. **PARTY LIGHTING FX:** The GGO-230 features dazzling LED lighting around the Woofers and Bass Reflex Ports with several selectable modes, turning any space into a discotheque!
