

**SKU:** GGO-650L

**Product Name:** GGO-650L

**TITLE:** 100W 6.5" Portable Bluetooth Boombox with LED Party Lighting

**DESCRIPTION:** TAKE YOUR PARTY TO GO! Introducing the new GGO Series from Gemini. These party speakers were designed with portability in mind with no compromise to sound or function and include every feature you can imagine from a Bluetooth speaker. Stream music via Bluetooth or FM radio or play your digital music collection from USB or microSD card. Or connect virtually any audio device via 1/8" (3.5mm) aux input. True Wireless Stereo (TWS) allows you to link to a 2<sup>nd</sup> GGO-230L for expanded sound. A built in receiver connects automatically with the included wireless microphone plus an additional 1/4" (6.35mm) input for a wired microphone (sold separately) allows for Karaoke parties on the go! You can even record your performances to USB. Wireless remote puts the control in your hands. Keeps your devices charged via 5V USB port. The GGO-650 includes a 6.5" (165mm) low frequency woofer for deep sub bass and a 2" (50mm) tweeter for crystal clear highs. Multi-mode LED lighting around woofer bring your party to life! 100 watts of power provide huge sound from a tight package, you've gotta hear it to believe! 3.7V Lithium battery provides hours of entertainment, recharge via included USB-C cable. The GGO-650L is the perfect Bluetooth speaker for your on-the-go adventures!

### **Highlights**

1. ASSORTED AUDIO: Enjoy great quality sound entertainment with this stylish speaker with a rechargeable battery. With USB playback, FM Radio and a 1/8" (3.5mm) AUX and wireless mic and 1/4" mic input in addition to Bluetooth® connectivity, you can play music from virtually any source. TWS Linking allows for wirelessly pairing 2 GGO-650Ls for a true stereo pair!
2. MODERN DESIGN: Sleek yet rugged modern design with built-in multi-mode LED party lighting. With the Gemini GGO series you are sure to turn some heads while on the go!
3. HIGH FIDELITY: Engineered for huge sound from a small package. The GGO-650L features a 6.5" woofer for deep low end bass and a dedicated tweeter for pristine highs, resulting in clear audio across the frequency spectrum, getting the most out of the 100 Watts.
4. RECHARGEABLE BATTERY: Designed to ensure the party never stops with the built-in long lasting rechargeable battery perfect for indoor and outdoor entertainment. 5V USB port lets you charge your personal devices directly from the speaker.
5. KARAOKE TO-GO: With a wireless microphone included, echo effect and assorted audio playback options, the GGO series from Gemini allows for impromptu karaoke parties whenever and wherever the mood strikes!
