

19712

## iPad stand holder

A clever way to show off your iPad 2. The new mount is guaranteed to hold the iPad 2 effectively and safely. For use on stage, in the rehearsal room or at home - the 3/8" internal thread means the holder can be attached to any microphone stand easily and quickly. The iPad 2 is clipped in and out of the holder effortlessly. An easy-to-use wing nut adjusts the tilt so the user can easily find a position to suit them. The iPad 2 switches rapidly between the vertical and horizontal format without slipping.

### Product variant
